I didn't think anything would be done against this lawyer. He was investigated on my end and shows where he is an ambulance chaser. A few bad apples make the whole bunch look bad. He has pulled suits like this before, and the counsel which investigated are probably just like him or his buddies. The good old Boys, Jerry L. Hagler

The attorney I retained was privately reprimanded. I would like to know what the reprimand was. My grievance was initially a fee dispute but discovered I had sent my grievance to the wrong venue. Attorney was found to have committed wrong doing in my case. I was not given direction on who to contact for fee dispute -- I had to find that information on my own.

Austin office

"Ruth" at attorney ethics hotline - called numerous times throughout case for guidance + advice re disciplinary rules re attorney's alarming behavior

Ruth gave even, measured info re ethics rules governing that attorney as well as my own obligations under the rules to report clearly unlawful (fraud) and questionable behavior re attorney's honesty + trustworthiness

Attorney falsified orders submitted to judge, lied to all parties to get "agreements" = harassed witnesses (zero on both counts)

atrocious things - shocking to say attorney w/ any integrity - and I had documents to (submitted) prove all of it, including email from attorney and others on case, yet St Gen found no basis for sanctions. Complete "mob tactics" are forbidden to attorneys yet, this attorney has been doing this for years!

4. Was your grievance heard by: An Investigatory Panel An Evidentiary Panel A District Court
5. If your complaint was heard by an investigatory or evidentiary panel, how would you describe your treatment by the investigatory or evidentiary panel? **The panel listened to and read the transcript of Mr. Anderson violating attorney ethics, breaching his contract and outright lying to me (client) in an effort to bully me into settling an unfair agreement with an insurance company; Attorney admitted that he has done this for 40+ years of practice; he flagrantly lied to the panel and he was admonished by one member for giving long, rambling, inconsistent and irrelevant responses to the questions; and in the same breath, that panel member claimed to see where both, the attorney and client, were wrong, without explaining to the client where he is wrong.**
6. How long did it take to reach a conclusion about your grievance? less than 90 days 90- 179 days 180-260 days more than 360 days
7. Did your grievance involve a: CRIMINAL MATTER CIVIL MATTER
8. If your matter was criminal in nature, was your attorney: APPOINTED HIRED
9. If your matter was criminal in nature, did you receive a sentence that included jail or penitentiary time? YES NO
10. Which regional office of the chief disciplinary counsel's office processed your grievance?
 Austin Dallas Houston San Antonio
11. Did you ever talk with an employee of that regional office? YES NO
 - a. If so, did you talk with: staff an attorney both b. What were the names of the employees that you spoke with? **ORLANDO MAYERS**
12. How would you describe your treatment by whomever you talked with? **Short, rushed, not a lot of interaction or information.**
13. Do you believe the grievance system is fair? YES NO
 - a. If you answered no, why do you think the system is unfair? **This grievance was brought on by the client. All charges and claims were proven by the client. The attorney showed that he is not credible, untruthful and lies to his clients and he admitted that he has intentionally conducted his practice in this manner for the past 40+ years, yet, the BODA closed the case with an 'AGREED PRIVATE REPRIMAND' without informing the client of his right(s) to suit or of any proper legal recourse. Do you think that is fair?**
14. Do you have any suggestions for improving the grievance system? **1.) Please respond to me and explain how this process is fair, 2.) Stop using the State Bar to protect dirty lawyers, like police use a 'blue wall' or the courts have used 'qualified immunity' 3.) When a client goes through the trouble to file a legitimate complaint, provide all the evidence to prove an accusation and patiently waits for a response, the least, respectful thing the BODA could do is take realistic action and inform the client of a realistic course of disciplinary action and viable resolution(s) for the client to be made whole.**

- b. What were the names of the employees that you spoke with? _____
12. How would you describe your treatment by whomever you talked with? _____

13. Do you believe the grievance system is fair? YES NO
- a. If you answered no, why do you think the system is unfair?
I FEEL IT IS UNFAIR BECAUSE MY ATTORNEY WAS DECEPTIVE AND LIED AND HID THINGS FROM ME, SO HOW CAN THAT BE FAIR? A WILL WAS PROBATED IN TEXAS THAT SHOULD HAVE BEEN PROBATED IN FLORIDA HOW WOULD I KNOW A WILL IS PROBATED IN A SMALL COUNTY WHERE THE DECEASED DID NOT LIVE? IT SEEMS VERY UNETHICAL TO ME AND FOR NO ONE TO DO ANYTHING ABOUT IT IS SO WRONG, HE LIED TO A JUDGE ABOUT MY WHEREABOUTS HOW WOULD I POSSIBLY KNOW ABOUT THIS
14. Do you have any suggestions for improving the grievance system?
That fraud and concealment is what happened then why would I get an email stating about the statute of limitations, I do not understand that, my understanding is once fraud and concealment are found out about if you are suppose to report it which I did. So how is that fair something defiantly needs to be in place for the victims that are deceived by someone who is an Attorney and you are led to believe them, how is someone to get justice not believe what there attorney says and hire a bunch of attorneys to make sure they are telling you the truth, that makes no sense to me. So now I am out of a legacy left by my grandfather for generations after me because of lies and cover ups and now I am told statute of limitations.
