Chief Disciplinary Counsel
State Bar of Texas

Dear Disciplinary Counsel:

ARE YOU SERIOUS WITH THAT DISCIPLINARY SYSTEM QUESTIONNAIRE? IT IS A DISGRACE!

I cannot properly fill out said disgraceful questionnaire in the spaces provided, so have expanded it:

1. *Are you a former client of the respondent lawyer?* The Yes-No responses provided are not appropriate. Honorably, honestly, morally, ethically, YES, I was a client. By Texas Bar weird concept of "ethics," probably NO. Respondent lawyer has not be shown to have provided even one word of even a two word Eisenhower type response ("No Comment"). Respondent lawyer was hired AS A CONSULTANT "INDEPENDENT EXAMINER," which to this mildly legally trained former Army Officer means said lawyer was essentially AN APPEALS JUDGE SUPPOSEDLY CONSIDERING BOTH SIDES OF AN ISSUE OF SUFFICIENT UNCERTAINTY THAT THE CITY OF HOUSTON WAS EXPENDING CONSIDERABLE FUNDS HIRING THREE SUCH PERSONS TO DO THIS. THEY CERTAINLY GOT THEIR MONEY'S WORTH. MS KOHLHAUSEN HAS GOT TO BE ONE OF THE BEST CITY RUBBER STAMP SHYSTERS MONEY CAN BUY!
2. *Was your grievance dismissed? Any other silly questions?* Of course yes. **Do you ever not dismiss?**
 - a. *If your grievance was dismissed, did you appeal?* No, I doubted it would be productive, and you have absolutely proven that I was correct. I am trying again, but will get the same result without the slightest documentation that anyone did anything more than copy of a standard dismissal.
 - b. *Did BODA reverse the dismissal?* NOT APPLICABLE
3. *Did your grievance result in a sanction against the respondent lawyer.* **ANOTHER SILLY QUESTION. LAWYERS ARE THE MOST THOROUGHLY PROTECTED AND SHELTERED CRIMINALS ON THE PLANET, AND TEXAS WOULD APPEAR TO BE AMONG THE VERY BEST AT THIS! THE TEXAS BAR GIVES CROOKED / INCOMPETENT LAWYERS MORE CONSIDERATION AND PROTECTION THAN THEIR VICTIMS.**
4. *Was your grievance heard by: _____ AN EVIDENTIARY PANEL _____ A DISTRICT COURT*
ARE YOU KIDDING? Either of these means Texas bar risks being confused by documented facts!
5. *If your complaint was heard by an evidentiary panel, how would you describe your treatment by the evidentiary panel?* **AS NO SUCH PANEL WAS EMPLOYED, I WAS BSOLUTELY, TOTALLY IGNORED IN EVERY WAY. THE ULTIMATE IRRESPONSIBLE LEGAL PROCEDURE.**
6. *How long did it take to reach a conclusion about your grievance?* LESS THAN 90 DAYS
7. Did your grievance involve a: _____ CRIMINAL MATTER _____ CIVIL MATTER **BOTH**
8. *If your matter was criminal in nature, was your attorney: _____ APPOINTED _____ HIRED*
BOTH. This allegedly, but definitely NOT INDEPENDENT, alleged EXAMINER of incredible incompetence was hired through an outside agency and appointed to INDEPENDENTLY EXAMINE the

record of the City's FIFTY PLUS LANGUAGE AND MATH ERRORS THAT AS YOU WELL KNOW IF YOU BOTHERED TO ACTUALLY READ MY DATA CAN BE VERIFIED FROM WHERE YOU ARE NOW SITTING, PLUS AT LEAST ANOTHER DOZEN OR SO THAT REQUIRE YOUR PRESENCE ON OUR PROPERTY and in possession of a tape measure that you can actually read. (Sarcasm with the demonstrated incompetence of the legal profession intended.)

9. *If your matter was criminal in nature, did you receive a sentence that included jail or penitentiary time?* **IT WASN'T ME THAT WAS SMASHING LAWS.**
10. *Which regional office of the chief disciplinary counsels office processed your grievance?* AUSTIN
11. *Did you ever talk with an employee of that regional office?* YES, SUMMARY FROM MY ORIGINAL GRIEVANCE FOLLOWS:

"You clearly state that the object is to AVOID FORMAL COMPLAINTS. When I requested that CAAP arrange contact and discussion, precisely as your form states, I was told that, contrary to your own form's instruction, this cannot be done, and that I MUST FILE THE COMPLAINT, which makes it highly official, and by no means unofficial. DUH! Someone does not understand ENGLISH as well as they THINK they understand legalese! "
12. *How would you describe your treatment by whomever you talked with?* **Syrupy courteous, and totally unresponsive or helpful. I have done customer service in the military, in retail sales, in education, and the Texas Bar's level of helpfulness was and is a disgrace -- so what else is new in Texas lawyers and government?**
13. *Do you believe the grievance system is fair?* **NO, NO, A THOUSAND TIMES NO!**
If you answered no, why do you think the system is unfair?

I have long felt the City of Houston's Procedures are improper and not fair, BUT

- The City MUST OFFER an appeal to their standard rejection of any customer data;**
TEXAS BAR DOES NOT DO THIS-- too much risk of exposure to facts;
- The City MUST PROVIDE an appeal hearing if the customer requests same;**
TEXAS BAR DOES NOT DO THIS-- too much risk of exposure to facts;
- The City MUST PROVIDE hearing officer who is NOT A REGULAR CITY EMPLOYEE;**
TEXAS BAR DOES NOT DO THIS -- too much risk of unacceptable result;
- The City MUST ACCEPT said hearing officer's decision**
- The City freely disregards said decisions in later procedures -- Double Jeopardy means nothing to the City.**
TEXAS BAR has removed all possibility of a hearing decision it does not like;
- Complainant (me) MUST PROVIDE PROOF, such as your 22 pages of specifics;**
TEXAS BAR REQUIRES NOTHING of respondent, who apparently can reply, but does not have to do so;
- The City STARTS BY DISREGARDING ALL CONSUMER and PRIOR EVIDENCE;**
WOW! TEXAS BAR ACTUALLY DOES WHAT THE CITY DOES !

TEXAS BAR thinks that Fraud, Perjury, Harassment, Stalking, Record Tampering are mere "ethics" items, and that they do not violate ethics. DUH!

TEXAS BAR DENIED FACE-TO-FACE complainant to respondent contact. Have you read the U.S. Constitution recently?

My complaint had little to do with "ordinances," although this was why you dissed it. My complaint was about 90% based on respondent's inability to read the English language (which you clearly share) and also a total lack of even the most basic mathematics skills (the most spectacular sample, no concern whatever by respondent or you over TWO DIFFERENT DISTANCES BETWEEN THE SAME TWO POINTS ! Even first graders and most kindergarteners know better, and this level of math would not pass the simplest and lowest

STAAR test well enough to pass the student into whatever the lowest level controlled by these tests is.)

Texas Bar and Texas lawyers do not know the difference between basic math incompetence, VIOLATION OF CRIMINAL LAWS SUCH AS FRAUD, PERJURY, HARASSMENT, BULLYING (for starters), and ETHICS -- and even close approximations of the crimes is bad ethics.

I am SO GLAD I AM NOT A TEXAS LAWYER -- I would not be able to live with myself !

I could go on and on, but since you may not even read this . . . And may not understand it if you do read it.

14. *Do you have any suggestions for improving the grievance system?* READ THE PRECEDING.
A FACE TO FACE EVIDENTIARY HEARING SHOULD BE MANDATORY.
A COMPLETE REVISION IS SORELY NEEDED. I do not have a whole week for info you will ignore.

This entire process is absolute verification of TEXAS TRUTH of items which are jokes in other parts of America:

“Honest Lawyer” is a logical contradiction, an oxymoron.

“Don’t Steal ! Government and Texas lawyers hate competition!”

“It doesn’t have to make sense. It is government / Texas Bar Assn. Policy.”

“There doesn’t have to be a reason. It is government / Texas Bar Assn. Policy.”

“Don’t confuse a Texas lawyer with documented facts. Neither you or (s)he or your problem will recover.

You just have three more problems, two of which are Texas lawyers cannot / do not / will not read and they cannot / will not / do not do even the most elementary math!”

What do you call three hundred lawyers at the bottom of the Atlantic Ocean? A good start.

This is in mind of Both grievances I've filed through this tax draining entity.

Unprofessional and Misconduct

13. Do you believe the grievance system is fair? YES NO

a. If you answered no, why do you think the system is unfair?

Because the lawyer was not representing me properly and was dishonest to my family and I had witnesses to verify his conduct. Your grievance system didn't give us justice or punish the attorney who was wrongdoing.

14. Do you have any suggestions for improving the grievance system?

You all should do a better investigation and don't let lawyers I am always being misrepresented and misquoted. When you hire a lawyer hear the support to fight with you not against you.

For such cases as mine I suggest the lawyer not be paid in full until the work is complete. Such as filing documents etc. The money can be kept in a special account and

Retrieved only after the work is complete or reserved time. The keeper of the money can deduct their fee then pay the attorney from what is left. The lawyer be made to pay (return) money. So be paid in full lawyer must complete work in full.

At one time, I had no input and was present when the hearing took place and I can assume that the accused attorney was present, therefore the court can be called fair & impartial.

The complainant should be allowed to be present so we can present our case in the presence of all involved mainly the culprit who in this case is the attorney. Your process is total unfair to say the least. why was the info so secretive??

12. **How would you describe your treatment by whomever you talked with?**
Atty, Churchill – Gracious, informative
Atty Homburg - Uninformative, unhelpful, rude, condescending, lacking good judgment and seeming uninformed as to information presented in Grievance file.
13. **Do you believe the grievance system is fair?** YES NO

a. If you answered no, why do you think the system is unfair?

I feel the system is designed to be fair; however, after waiting more than FIFTEEN (15) MONTHS since reporting the lawful and ethical violations of a practicing attorney, this case was apparently assigned to an attorney (representing the State Bar) who was more interested in closing cases than in studying the evidence and obtaining the facts. Had he done so, he would have realized that although Attorney Robinson had returned some of my files, he had not returned many of the most important documents. (SEE EXHIBIT #2).

Upon informing me regarding the settlement agreement, Atty. Homburg's response was, "I saw a certified receipt for files Atty. Robinson sent" which means he did not read all my filings or remember any of the telephone conversations we had in this regard. He also said "what do you want me to do ----- go up to San Saba and look for the files myself?" He was totally unconcerned about me getting my important documents returned and even more concerned about informing me regarding the IRS issues, even with me telling him that the IRS is attempting to collect from me 28% of the money paid to Attorney Robinson (approx. \$40,000) since he did not lawfully claim the income he received from this representation (or misrepresentation). Further, during the time Mr. Robinson was supposedly representing my sister and myself, he continually spoke about his predecessor (the former San Saba County Attorney) who had numerous grievances filed against him yet nothing was ever done to him. I'm sure he felt confident (rightly so) that nothing would be done if he were in similar circumstances.

It is unthinkable that a settlement could be reached on behalf of the State Bar without any input from the complainant (me) and without any requirement that the attorney make right the rules and laws violated. Further, to allow the attorney who violated the law and his oath of office to have these violations placed under seal and not reported on his State Bar record is not only unfair to me but to anyone else who he might attempt to represent under these false pretenses.

The manner in which this was handled gives the appearance of "two attorneys making a secret deal to wash the slate clean for a dirty attorney"! THIS DECISION WAS TOTALLY UNFAIR TO ME AND TO OTHERS WHO MIGHT COME IN CONTACT WITH THIS ATTORNEY. SADLY, NO VIOLATIONS OF THE LAW OR ATTORNEY ETHICS VIOLATIONS WERE CORRECTED WITH THIS PROCEDURE.

14. Do you have any suggestions for improving the grievance system?

I think the grievance system needs more oversight. If the various attorneys representing the State Bar are permitted to make the decisions on each case as to punishment, sealing, etc; then someone needs to review those decisions. Before ANY decision is finalized, the complainant should be consulted to make sure all of the violations alleged are addressed. In this case there were several mistakes made by the decision maker. **Violations alleged in the grievance were not addressed with corrections required.**

Re: Cause #201502401 - Commission for Lawyer Discipline v. Randall Howard Robinson

Dear Randy,

We have been notified by a representative of the State Bar of Texas that sanctions have now been imposed against you and that at your request, the results of those sanctions have been sealed. I assume that this included a requirement for you to return the balance of my records including, among other things, the brown expandable folder containing all the family property deeds, the 8 X 10 colored photographs of the trust property and the original trust file. I will expect to receive these documents at the address below on or before August 10, 2016. Otherwise, we will be forced to submit an additional grievance in this regard.

Additionally, we request that we be reimbursed \$325.00 in expenses we were forced to expend for the time spent by Michael Schaffner, CPA, charged for his time and attempts to explain the IRS requirements to you because of your refusal to provide your tax identification number as required by law. We will expect this no later than August 10, 2016 as well.

Sincerely,

Sarah W. Elliott and Margaret W. Clem

All you do is transfer the money from the judge to the lawyer, and the judge has no right. He/she has a job to do. It's not his/her job to do this. On the other hand, I want the State Department to do it. They should be the ones to do it. I don't think it's fair. The grievance was dismissed. I don't think it's fair.
